

Graves Amendment #8

**Amendment to Committee Print
Offered by Mr. Graves**

P. 59, line 5, insert – Provisions (a) and (b) are suspended until the Secretary has made a determination, in consultation with the Secretary of Energy, that the global demand for oil and gas will decrease between 2020 and 2030 and the majority of supply for such demand will be met by production that has a lower lifecycle greenhouse gas emission profile than production restricted by this provision.
